

American Municipal Services

Recovery done the right way!

Courts and Government

AMS is known as one of the Top Court government recovery services in the market. Our approach to recovery is to put client needs first and to customize each solution to meet and exceed the needs.

Collecting on delinquent accounts in the City and County Government sector takes constant communications. We keep our clients updated through every step of the recovery process and communicate with debtors in a way that encourages voluntary compliance. As a representative of Government and Court clients we make every person-to-person contact a positive experience.

Our clients will attest that utilizing AMS will mean receiving zero complaints. The help and support we provide to those we work with is valued as a top notch service. We understand what it takes to handle the needs of Government clients and we have developed a system that provides an ***Effective Rapid Recovery*** of delinquent receivables.

Included in our Court Recovery services are the following:

-  **We Collect all of your outstanding court ordered fines and fees**
-  **We contact all defendant / offender both in writing and by phone and make every best effort to connect every time**
-  **We use various skip-tracing mechanisms and services daily to increase our success in locating defendant / offender**
-  **Develop custom payment plans for the defendant / offender to ensure full payment of the debt owed**
-  **Accurate and Timely Management reporting including on-line access to track the success daily on your account**
-  **Maintain the highest level of confidentiality with all clients and defendant / offender**
