

Education / Student Loans

Recovery done the right way!

More and more students are defaulting on their student loans leaving a mess out there of unpaid debt that continues to build up.

You need a partner that will go to bat for you and work closely with the students to develop an effective payment plan that both parties can work with to ensure the outstanding debt is paid in full

That's where AMS comes in, we take the worry out of your hands and instill confidence that we have the right staff and programs to meet and exceed your requirements

Included in our Education / Student Loans Collection services are the following:

- **A professional staff that works for you to ensure your outstanding debts are collected**
- **We contact the holders of the outstanding debt both in writing and by phone and make every best effort to connect to them every time**
- **We use various state of the art skip-tracing mechanisms and services daily to increase our success in locating the past due account holder no matter how long the bill might be**
- **We develop custom payment plans for the students that helps them pay their debt back within their budget that is fair and ensures that you receive full payment of the debt owed**
- **Accurate and Timely Management reporting including on-line access to track the success daily on your account**
- **Maintain the highest level of integrity and confidentiality**
